## 2024 EVENTS

---

### **Sunday Roast:**

Our next Sunday Roast has been set for September 22<sup>nd</sup>. Adrian will be putting together Roast Beef with all the trimmings plus a dessert option (yet to be decided). Bookings are highly recommended as we prep the food based on numbers booked.

Get in touch via email at [cafepolo.miramar@gmail.com](mailto:cafepolo.miramar@gmail.com) to book your spot.

### **Dinner Events:**

We have no dinner events in the book currently but we are brainstorming ideas for both October and November. Be first to know about our dinner events by joining the mailing list (link to join at the bottom of the home page).

### **Christmas Events:**

We can't believe how quickly Christmas is approaching! Adrian will be working on our

Christmas set menu shortly so if you'd like to book in for either a lunch or dinner event, please get in touch so we can hold your date and we'll get a draft menu over to you as soon as we can.

We can happily cater for full private events at the café as well as in home events. There's also the opportunity to book just one space at the café (private dining room, 10pax; lounge, 14-22pax; main room 23 – 33pax) and no room hire fee applies for this.
