### **Two & Three Course Set Menus**

We tested these out in July and what a success!

Based on the response, we've decided to keep our two and three course menus around long term. Two courses for \$32 and three courses for \$44. Each course has two different choices which often cater to vegetarians and gluten free people – if you have any other dietaries feel free to discuss these with us at the time of booking.

These menus are the perfect excuse to gather a group of friends or family to have a delicious meal at a reasonable price.

Our menu will be posted to socials and sent out to the mailing list at the beginning of the week.

Email [cafepolo.miramar@gmail.com](mailto:cafepolo.miramar@gmail.com) to book a table.
